## SUCCESSOR TRUSTEE INFORMATION

In the event of your death or incapacitation, who would you want to take over managing your trust assets?

1. \_\_\_\_\_; then
2. \_\_\_\_\_; then
3. \_\_\_\_\_; then

Then, additional backup successors are appointed in your GunLocker Trust as follows:

- Disability:      the Trustee of your revocable living trust OR  
                         the Agent named in your General Durable Power of Attorney or your  
                         Guardian appointed by a Court.
- Death:            the Trustee of your revocable living trust OR  
                         the Personal Representative nominated in your Will or as appointed by a  
                         Court should you die without a Will.

## DISTRIBUTIONS AT DEATH

### #1: SPECIFIC GIFTS OF ONE OR MORE FIREARMS

We provide you with a blank tangible personal property memorandum which you may use with your GunLocker Trust to identify and gift specific items *of tangible personal property owned by this GunLocker Trust only* to specific individuals. You can change this memorandum by executing a new one and signing and dating it, without having to amend your GunLocker Trust.

### #2: DISTRIBUTION OF REMAINING TRUST ASSETS TO SPOUSE (IF APPLICABLE)

All to spouse, any disclaimed assets by percentage to one or more beneficiaries named in exhibit 2.

\_\_\_\_\_ Percent to spouse, all remaining and any disclaimed assets by percentage to one or more beneficiaries named in Exhibit 1.

The spouse will be listed in Exhibit 1 and the distribution to the spouse will be by percentage along with other beneficiaries listed in Exhibit 1.

None of the remainder assets will be distributed to the spouse

### **#3: REMAINING GUNLOCKER TRUST ASSETS PASS BY PERCENTAGE**

All other items pass by percentage to one or more beneficiaries named in Exhibit 1.

### **#4: REMOTE CONTINGENT BENEFICIARIES**

If #3 fails, as beneficiaries are unable or unwilling to accept your bequest, then you may create a backup plan. The default remote contingent beneficiary plan uses the state of intestacy, i.e. assets are distributed to those who would inherit by law without an estate plan. If you wish to change this please contact our office and we will quote a fee to do so.

## REQUIRED EXHIBITS & SCHEDULES

The following Exhibits and Schedules are required to complete your GunLocker™ Trust. Failure to complete both Exhibits or to provide a Schedule A and B may cause your GunLocker Trust to be returned by the BATFE as incomplete.

**Exhibit 1** identifies the persons or entities to receive a portion of the remainder of GunLocker Trust assets after satisfying any specific gift. The remainder interest must add up to 100%.

**Schedule A** is a Schedule of National Firearms Act Assets (if any).

**Schedule B** is a Schedule of Non-NFA Assets. This Schedule can be customized for privacy.

Your GunLocker Trust transfers and conveys \$10 in cash and also other assets to “fund” your GunLocker Trust, making it legally effective on the date signed by you as Trustmaker and as Trustee. An assignment of **non-NFA** firearms and firearms accessories is also provided for your convenience and as additional documentation.

Transfers of **NFA firearms** require a BATFE approved transfer in order to become GunLocker Trust property or to be distributed from the GunLocker Trust to any other person or entity.

# REMAINDER BENEFICIARY WORKSHEET

We provide you with a personal property memorandum which allows you to leave specific items to specific people. The remainder beneficiaries receive all assets that are left over after the specific gifts are made. If nothing is left over, then they get nothing. Please list a beneficiary and the percentage of GunLocker Trust assets they are to receive.
